#### **PROJECTS**

## My Flix App — Personal Project, CareerFoundry

- Created a non-relational database (MongoDB) of movements from various styles and to store user data.
- Built a REST API with Node.js and Express, using Mongoose to interact with the database.
- Tested the API endpoints with Postman, wrote clean and concise documentation, deployed the API with Render
- Created two single-page, responsive front-end applications, one using React, other using Angular. Users can create accounts, browse the library and save their favorites

#### **EXPERIENCE**

## Lead Day Care/Preschool Teacher, Queen Creeek— Watch Me Grow

October 2023 - Current

- Caring, teaching, and comforting children from 6 weeks old to 5 years old.
- Collaborates with parents of children daily to update parents on their child's well-being and find the best care for each family by creating schedules and routines for each child.
- Required 24 hours of continuing education every year.

## Medical Billing Specialist, Remote — Luck of Billing

Febuary 2023 - December 2023

- Managing medical information for a series of medical centers by communicating via phone with insurance agents, medical personnel,
- Addressing the concerns of individual clients and providing resolutions for billing conflicts.

## Licensed Massage Therapist & Front Desk Associate, Mesa AZ — Kenney Chiropractic & Elements Massage

May 2021 - October 2023

- Became a versatile employee learning new techniques in relieving the pains and worries of the clients in my care
- Performed front desk administrative tasks such as admitting new patients, checking records, filing, contacting insurance companies, answering phone calls, and scheduling return appointments.
